How do I change the header image (money coins) with another picture?

To change the image you should replace "header-image.jpg" picture, which is in the "images" folder of Analytic theme.

How to disable default Drupal logo (blue drop)?

– I've installed Analytic theme to my new Drupal installation, and it has a bit ugly default Drupal logo, how can I disable it?

– You can disable or replace default logo in Analytic theme settings - go to *Home* » *Administer* » *Site building* and click "Configure" link next to Analytic theme. Uncheck "Logo" checkbox, and click "Save".

How do you create the Featured block?

Duh! I just figured it out. For the rest of us out there wanting to know how to do the featured article on the Analytic theme, just check the "Sticky at top of lists" box in the "Publishing options" section of the Create Story (or Page or other

Right or Left columns are missing for admin?

Analytic theme is a fixed width theme. It can cause problems when viewing admin pages with big width. You can disable left and/or right columns for admin section of your website (Administer » Site building » Themes » click "Configure" link right to Analytic theme).

バリアフリーの普及をめざして！

神奈川 バリアフリーガイドライン作成プロジェクト

新規建築物はバリアフリー化が浸透し始めておりますが、既存建築物ではバリアフリー概念の浸透とその整備手段などの違いにより、さまざま手法でバリアフリー化対策が整備されております。さらに、今後、生活者、利用者の意向にもとづいた継続的なバリアフリー化の手法を改善しながら整備普及に努めることが求められております。

そのためには、より多くの人々が、現状を認識しながら、より良いバリアフリーを実現する手段などを理解し、バリアフリーマップ情報を提供することで、車いすなどでの利用者とのコミュニケーションをとる仕組みの一つとして本Webサイトを構築しました。

Desprinderea UDMR din orbita PDL

21.07.2011

Este iminentă? Da. Dar când se va petrece? Răspunsul la această întrebare este mai complicat. Există însă câteva argumente logice, dincolo de informațiile de culise, destul de contradictorii, care ne sugerează care este momentul optim în care UDMR poate părăsi coaliția. Și mai trebuie pusă o întrebare la fel de importantă.

21.07.2011

Organizația Națiunilor Unite a făcut, astăzi, un anunț cumplit! În Somalia este foamete. Desigur, știam că situația din estul Africii este cât se poate de grea. Acum, însă, este oficial: milioane de oameni sunt în pericol de a muri de foame. Organizațiile umanitare sunt disperate. În ciuda eforturilor lor, câteodată este imposibil să salveze viețile copiilor malnutriți.
